- **Vendor parking is available:**

  - Strip mall parking lot kitty-corner from The Pillars
- Vendors may **pull up to unload**, but must **move their vehicle immediately afterward**.
- **Do not drive or park on any grass areas.**

### **Set-Up & Breakdown**

- **Markets 11am–3pm** → Set-up begins at **9:45am**
- **Markets 4pm–8pm** → Set-up begins at **2:45pm**
- All vendors must be **fully set up and ready to sell 15 minutes before the market begins**.
- **No early breakdowns** — this helps maintain a great experience for guests and fellow vendors.

### **Booth Sizes**

- There are **no size restrictions** for **outside vendors**.
- Inside vendors – see layout.

### **Vendor Categories**

To keep our markets balanced and fair:

- We accept **only 2 vendors per category**.
- Please be **very specific** when describing your products.

Examples:

- Instead of “**Jewelry**”, say *hand-stamped silver jewelry, crystal jewelry, polymer clay earrings, etc.*
- Instead of “**Baked Goods**”, say *sourdough bread, cupcakes, macarons, cookies, etc.*

 The more detailed your description, the **higher your chances of being selected**.

## Application Deadline

- The **deadline date is firm**.
- We will **not accept vendors after the deadline**, and **payment links will expire** after that date.

## Food Vendors

If you are a food vendor, you must specify:

- Whether you are a **food truck or booth**
- Whether you **need power**

## Power

- **Power is available for inside vendors only.**
